

Cyberbully Awareness Workshop

When: September 28th, 2017 at 7pm

Where: Cardiff Center

Come join us for a Cyberbullying Awareness Workshop and educate yourself on the dangers and effects of cyberbullying and internet crime. Detective Charles Hollendonner from the Chicago Police Special Investigations Unit will be here to do a presentation for our parents and/or guardians to help them better understand Internet safety and to prevent their child(ren) from becoming victims to online predators and cyberbullying acts.

Free Admission. Due to the content of the material being presented, this is for ADULTS only. Detective Hollendonner will be presenting a kid-friendly version during a school presentation to all 5th-8th grade students in October

Hosted by: St Linus FTC
