

# IT'S SCHOOL, CAMP AND SPORTS PHYSICAL SEASON!

As partners in Catholic education, Saint Xavier University's Health Center is offering a discounted self-pay rate of \$35.00 for all physicals for Catholic school students.

We value your time so we will not limit this offer to certain days or time. We also offer appointments, so you can schedule a time that is convenient and not be left waiting for hours.

If you prefer to use your insurance coverage, we are in-network with most major PPO insurance plans and can submit a claim on your behalf.

We also offer all recommended vaccinations.

The Health Center is conveniently located in your neighborhood at 3925 W. 103rd Street (Driehaus Center on the SXU campus).
